# LEARN • COMPETE • INSPIRE™

## Learn

High standards of academic excellence are at the core of the WAC's foundation of higher education.

## Compete

The WAC provides an exemplary university athletic experience where student-athletes compete at the highest collegiate level with utmost integrity.

## Inspire

Student-athletes gain values from the WAC that extend far beyond their academic and athletic years at their universities. The life lessons they learn will inspire them to become better people, but more importantly, they'll become stronger leaders by inspiring those who follow them.
